2. Regulation 56(c) relating to 'Age of Retirement' at page 106 of the Calendar, Volume I, 1969 shall read as under :—

56(c) All whole-time members of the teaching staff shall retire on reaching the age of 60 years;

Provided that—

- (i) extension for a period up to three years may be allowed by Senate on the recommendation of Vice-Chancellor and Syndicate to a teacher who continues to be efficient and fit both physically and mentally. Such extension, however, shall not be beyond July 31 of the year in which the incumbent attains the age of 63 years;
- (ii) If in the opinion of the Vice-Chancellor, further retention (beyond the age of 63 years) of a teacher is in the interests of the University owing to his exceptional eminence in the field and outstanding contribution of national or international significance, and if he continues to be efficient and fit both physically and mentally, Syndicate may decide that the post held by such a teacher need not be advertised and recommend to senate for grant of further extension for a period extending up to two years. Such extension, however, shall not be beyond July 31 of the year in which the incumbent attains the age of 65 years.

3. Regulations 1 and 2 relating to 'Moderation of Results' at page 119 of the Calendar, Volume I, 1969, shall read as under :—

1. Before declaration, the results of an examination together with a statement of percentage of passes in the whole examination and in each subject for current and the four preceding years, shall be submitted to the Vice-Chancellor.

The Vice-Chancellor shall order publication of the results, unless on scrutiny of the figures submitted, he considers that there has been a distinct change of standard in the whole examination or in a particular subject, and in that case he may refer the matter to the examiners concerned for a report on the apparent change of standard, and may suggest a specific modification of the results or may take any other action as considered necessary.

2.1. A candidate who appears in all subjects of an examination and who fails in one or more subjects (Written, Practical, Sessional or Viva-Voce) and/or the aggregate (if there is a separate requirement of passing in the aggregate) shall be given grace marks up to a maximum of 1% of the total aggregate marks (excluding marks for internal assessment) to make up the deficiency, if by such addition the candidate can pass the examination. While awarding grace marks fraction working to  $\frac{1}{4}$  or more will be rounded to a whole.

**Exception :** In the case of M.B.B.S. and B.D.S. examinations, however, the grace marks shall be given up to one per cent of the total marks of each subject, and not up to one per cent of the aggregate of all the subjects. In other words, each subject will be, for

this purpose, a separate Unit, and a candidate who fails in a subject by not more than one per cent of the aggregate mark of that subject may be given the required number of marks in order to pass in that subject.

2.2. For M.A./M.Com. and M.A. (Physical Educational) grace marks up to 1% of the total marks of Part I and Part II examinations shall be added to the aggregate of both Part I and Part II examinations to award a higher class to a candidate, provided that grace marks have not already been given for passing the examination either in Part I or in Part II.

2.3. For M.A./M.Com. examination, grace marks up to 1% of the total marks shall be given to a candidate who re-appears only in one Part of the examination for purpose of improving the division.

2.4. For M.Ed. and M.Sc. examinations grace marks up to 1% of the total marks shall be added to the total marks to award a higher class to a candidate provided that grace marks have not already been given for passing the examination. (This shall not apply to M.Sc. Honours School examinations).

2.5. The award of grace marks shall not entitle the candidate to earn higher division or a particular merit except in the case of M.A., M.Com., M.Sc. and M.Ed. In the case of a candidate who is given grace marks under this regulation, corresponding marks shall be deducted from some other subject or subjects.

2.6. In the detailed marks certificate, the original marks and revised marks will be indicated.

4. The following Regulation 5-A has been added to the regulations relating to 'Admission to Examinations' at page 123 of the Calendar, Volume I, 1969 :—

5-A. For purposes of admission to an examination, if the minimum marks required involved a fraction, the fraction shall be ignored to the advantage of the candidate.

**Illustration :** 1. 45 per cent of 175 marks works to 78.75; the fraction .75 in this case will be ignored and a person obtaining 78 marks shall be eligible.

2. 45 per cent of 150 marks works to 67.5; a person obtaining 67 marks shall be eligible.

5. Clauses (g) and (t) of Regulation 2 for 'Private Candidates' at pages 177 and 179 of the Calendar, Volume I, 1969, shall read as under :—

2. Subject to regulations 1 and 9, the following classes of candidates may be permitted to appear in a University examination in the Faculties of Languages, and Arts without their having completed the prescribed course of instruction, in a college affiliated to the University or in a teaching department of the University if they are otherwise eligible to appear under the regulations for the examination :

\* \* \*

(g) N.F.C. Instructors, Drill-masters, Physical Instructors, National Discipline Scheme Instructors and Sports Coaches working in—

(i) University; or

(ii) schools recognised by Education Departments of Punjab, Haryana, Himachal Pradesh; or Union Territory of Chandigarh; or

(iii) colleges affiliated to this University :

who are employed as whole-time paid members of the staff and have either been so employed for twelve months continuously previous to the

date of submitting the admission form for the examination or have so served for a period of two years in the aggregate.

- (t) A person who has already passed M.A. or M.Sc. examination of this University may appear in any other subject of M.A. examination, as a private candidate.

6. Regulation 7 for Pre-University examination at page 26 of the Calendar, Volume II, 1969, shall read as under :—

7. The minimum number of marks required to pass the examination shall be 33 per cent in each subject.

In a subject in which there is a practical examination, this percentage shall be required (i) in the aggregate of written papers, and (ii) in the practical separately.

7. Regulation 10 for Pre-Medical Examination at page 32 of the Calendar, Volume II, 1969, shall read as under :—

10. The minimum number of marks required to pass the examination shall be 35 per cent in each subject. Provided that in each Science subject this percentage shall be required separately in the written and practical parts of the examination.

A candidate shall receive no credit for marks obtained in the additional optional subject unless he has obtained at least 33 per cent, in which case these marks shall be added to the total.

8. Regulation 10 for Pre-Engineering Examination at pages 38-39 of the Calendar, Volume II, 1969, shall read as under :—

10. The minimum number of marks required to pass the examination shall be 35 per cent in each subject. Provided that in each Science subject this percentage shall be required separately in the written and practical parts of the examination.

9. Regulations 16, 18, 19, 22 and 27 for B.A./B.Sc. (T.D.C.) examination at pages 64-70 of the Calendar, Volume II, 1969, shall read as under :—

16. (A) A candidate for the B.A. examination shall be required to take up three \*\*subjects, namely English and any two elective subjects prescribed for the examination, subject to the restriction contained in Regulation 17. Provided that a candidate offering Psychology and Home Science shall produce a certificate from the Head of the institution affiliated to teach Psychology/Home Science of an institution approved for this purpose by the Board of Studies, to the effect that he/she has completed the course prescribed for practical work. He shall also offer, as an additional subject, Hindi, or Panjabi or Urdu or Bengali or Sindhi or Tamil or French or German or Russian or Sanskrit or Persian or Arabic or Military Training. Provided that Military Training can be taken up by members of the National Cadet Corps or N.C.C. Rifles. Hindi or Panjabi or Urdu or Bengali or French or German or Russian or Sanskrit or Persian or Arabic or Military Training can be offered by a candidate only if he has not offered it as an elective subject. A regular student who has already completed N.C.C. training for at least two years can also offer Military Training, even if he is no longer enrolled in the N.C.C.

\*\*A student may offer a subject including Honours papers, in which his college is not affiliated, by attending the prescribed course of lectures in that subject in another college affiliated in the subject and in that case the Principal of the latter college shall certify that the student has completed the prescribed number of lectures in the subject and the Principal of the college in which the student is enrolled shall report his name to the Registrar for confirmation. (Para III, Syndicate Minutes, dated 21-10-1966).

Exception : A candidate who has obtained—

- (i) two-year Home Science Diploma or one-year teacher training Diploma from the Institute of Home Economics, New Delhi; or
- (ii) Home Science Diploma (2-year course) from Lady Irwin College, New Delhi.

may be taken as having completed the prescribed course and allowed to offer Home Science in the B.A. examination.

(B) A candidate for the B.Sc. examination shall be required to take up three subjects from the list prescribed as given in the syllabus subject to the restrictions contained in Regulation 10. He shall also offer English as additional subject.

(C) A candidate for B.A./B.Sc. Part II examination may also offer General Education as an additional optional subject. If he is successful, the marks obtained in General Education shall be added to the aggregate of Part II and Part III examinations for determining his division. If he is unable to appear or qualify in General Education along with Part II examination, he may be allowed to do so along with Part III examination.

(D) The examination in the additional subject given in Regulations 16(A) and (B) shall be held at the end of first year of examination. A candidate who is short of the required percentage of lectures in the additional subject may be allowed to take the examination without the additional subject. If he is unable to qualify in the additional subject along with Part I examination he may be allowed to do so along with Part II or even Part III examination.

18. Subject to regulation 19, the minimum number of marks required to pass the examination in each Part shall be as follows :—

35 per cent in each subject, provided that this percentage shall be required separately in the written examination and External assessment of Practical examination (including Mapwork in the case of Geography).

19. In the case of the additional subject, the minimum number of marks required to pass the examination shall be as under :—

- |  |         |   |
|--|---------|---|
| (a) Additional English for B.Sc. examination | .. .. . | 33 per cent   |
